

# ANIMALS TRANSPORT

1. Animals transported mandatory within the passenger compartment either in the hallway or on the stairs near the owner.
2. The weight should be up to ten kilos (10kg) and transported in special baskets of dimensions 50x40x35 centimeters.
3. The owner must accompany the animal and carry all the necessary documents concerning the animal, which are updated for the last two years.
4. The animals which accompany disabled persons, regardless of their size compulsorily transferred into the passenger compartment, close to the owner, not placed in a basket, but must wear a muzzle during transport. Specifically, assistance dogs which carry strap handle can be carried on means of transport, without transport cage and without a muzzle, regardless of their size.
5. Each bus can carry up to two pets. For your facility, your ticket must be pre-booked and you have to indicate that you want to transfer a pet.
6. The transport of animals, according to the above, is mandatory. As far as these regulations apply, the consent of the driver, owner or other passengers is not necessary and the penalties are high.

The transfer of animals is only possible during the following bus routes:
